சங்கீதம் - Psalm 20:4

Aligning Our Desires with God's Plan!

Desires and plans are very human. Every day and every year, we come with new desires. Based on those desires, we make plans, adjust them, and sometimes change direction. This is natural and part of our daily walk in life.

Yet the Bible reveals a deeper and eternal truth. Before God created the world, He chose you and me (Ephesians 1:4). Creation itself began with God's desire. He formed us, knew us while we were still in our mother's womb, and watched as every part of our body was made in secret places. We were created intentionally, born according to His desire and in His appointed time.

After our birth, God assures us that He knows the plans He has for us, plans to prosper us and not to harm us, plans to give us hope and a future (Jeremiah 29:11). God's plans are perfect, trustworthy, and filled with purpose. So where do our desires and plans fit? Psalm 20:4 says, "May he give you the desire of your heart and make all your plans succeed." This verse invites an important question: How can our plans succeed if they are different from God's plans? Even if they succeed by human standards, will they bring true peace, fulfillment, and lasting joy?

We must remember this truth that we did not create ourselves. God created us. Therefore, true success begins with surrender. When we bring our prayers, petitions, desires, and plans before God, He lovingly shapes our hearts. Surrender does not mean losing our dreams; it means allowing God to refine them. As our hearts align with His will, our desires begin to reflect His purpose.

When our desires are aligned with God's plans, He grants success, not merely outward success, but success that brings peace, fruitfulness, and spiritual fulfillment.

This month, are you ready to surrender your desires and plans to God and align your life with His purpose? Trust that He loves you more than you love Him, and His plan for you is always good.

Be blessed.
